Ok, so should we meet prior at 10 still? 10:30?

I'm guessing Kelly needs to be a part of this given she made the meeting to touch base and would have some updates from the city?

I'm not sure what to do here but can be available at 10 if that's helpful.

The school board has a redistricting meeting this afternoon and we were hoping to be present for that.
Could we schedule this for before our meeting tomorrow?

Team - We have a negotiation session currently scheduled for 11/26 @ 11:00 am. I think we should use that time instead to meet as a Team to finalize a comprehensive proposal to the Union. So let's meet in the School Board Conference Room at City Hall on Tuesday at 11:00 (as currently scheduled) but instead of meeting with the Union, it will just be us and we will finalize a package proposal.

Thanks,

Tom

I plan to be there but my son may need to miss a practice because of the timing (the team just started). It would be helpful, in the future, to allow for attendance by zoom to ensure all members the chance to be there. Most other Boards in the city do this.

Todd,

Liz Barret will be the new liaison from the School Board.

Liz,

The next meeting is Thursday, January 25th at 6:30pm at the Community Campus. You will vote on Chair, Vice Chair, and Secretary for the upcoming year.

If, for some reason, you cannot make it, let me know so I can attend....since I know it is late notice.
